W.P. No. 6124 (SS) of 2001

Old No. 10883 of 1988

Hon. ble M.M. Ghildiyal, J.

Heard learned counsel for the parties.

Learned Standing Counsel for the State has submitted that the bunch of similar cases have already been decided by the Allahabad High Court allowing the writ petitions and in pursuance of that judgment, the services of the similarly situated teachers have already been regularised.

In view of the above statement, the writ petition has become infructuous and is dismissed as such.
